Top issues found (10 total, top 5 shown)

#	Issue	What it's costing you
1	**No clear call-to-action on the page** critical	Visitors aren't told what to do next — they browse and leave without contacting you.
2	**Your contact page has no enquiry form** high	No easy way for a visitor to reach you — every interested visitor is a lost lead.
3	**No action button visible in the header on mobile** high	On phones, most visitors never scroll — without a top button they can't reach you at all.
4	**No WhatsApp click-to-chat** medium	Many visitors prefer WhatsApp over forms — you're losing the channel they actually use.
5	**1 broken link(s) on the homepage** medium	Dead links signal an abandoned site — visitors lose trust and go to a competitor.

Fix: all of the above repaired in 48 hours, fixed price, with an automated test suite so it can't silently break again. — **no obligation, this report is yours either way.**
